Introduction

Welcome to the SPHS Sporting and Cultural Clubs programme for 2009/2010. All clubs are run and supervised by CRB checked (Criminal Records Bureau) qualified coaches and teaching staff.

In order to ensure that the quality of our tuition is maintained, our club places are limited and will be offered on a first come first served basis. Clubs will run half termly (6-7 weeks) giving students equal opportunity at attending each club. Please be advised, club places will be reviewed during the last week of each half term and an options sheet must be completed and returned to Claire Fennessy the Events Co-ordinator at SPHS. Claire is located in the schools main office.

Please ensure suitable clothing is worn for each activity. We would also recommend that refreshments are brought along, especially during the warmer months.
